

# FLAGGER TAPE

A very high strength, highly visible barrier system. Flagger tape is supplied on a roll and is simply tugged each end to allow vertical strips to detach and hang down, giving greater visual warning than conventional barrier tape.

- Manufactured from superior strength polyethylene.
- Supplied as a barrier tape on a roll.
- Easy to use.

# HAZTUBE®

Used as a visual warning over scaffolding poles. Manufactured from polyethylene and supplied as layflat tubing on a roll and printed both sides with diagonal stripes.

- Easy to apply when scaffolding is being erected.
