

# UPVC CABLE PROTECTION COVERS

Rigid UPVC cable covers with or without interlocking fasteners, profiled to provide good protection above cables or pipelines, against the high impact of shovels or picks.

Manufactured in any colour with a warning message to identify the buried service, printed in black to your requirements.

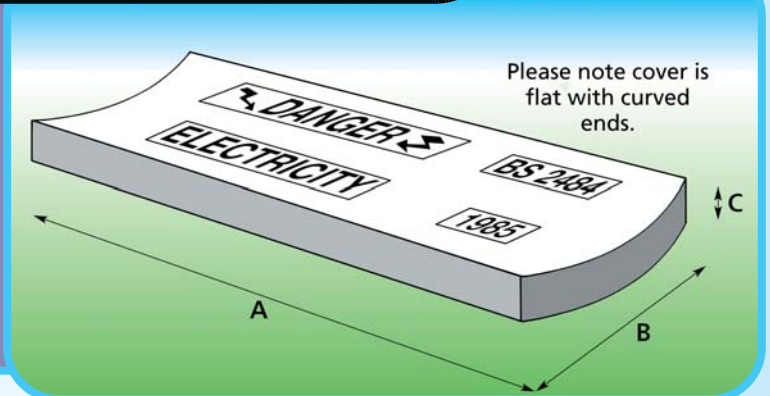

- Permanent non-fading, colour resistant to chemical change.
- Density is higher than water, so that they can be used easily in water-logged ground.
- Other thicknesses and sizes available on request.

# CONCRETE CABLE COVERS

A hydraulically pressed concrete cable protection cover impressed with a warning of 'DANGER ELECTRICITY',

- Manufactured to BS 2484
- Reinforced in accordance with BS 4482
- Featuring indented lettering and Internationally recognised Danger Sign
- Available in 3 standard sizes

## PART NUMBERS

PART NUMBER	LENGTH (mm)	WIDTH (mm)	HEIGHT (mm)	WEIGHT (kg)
CG1001	A	B	C	17kg
CG1002	914	230	50	25kg
CG1003	914	305	50	34kg

Care should be taken in selecting the cover size, as the cover should be wider than the service line over which it is to be placed.
